### FEEL A MILLION MILES AWAY ON OUR 54-HECTARE NATURAL WONDERLAND.

We share your passion for creating equity in a child's critical developmental years and believe that every child deserves to have a fulfilling camp experience at a price that parents can afford.

In a safe environment, we see growth in areas such as self confidence, independence, resilience and social awareness, while exploring and learning new skills.

We offer 4 different camp options to suit all budgets and requirements. Each package starts with bunk accommodation for **2 nights**, large indoor group rooms, fully-equipped commercial kitchen, a huge range of unique opportunities for outdoor learning... and loads of fun!

- **BRONZE:** Accommodation only
- **SILVER:** Add catering
- **GOLD:** Add catering and partial programming and facilitation
- **ULTIMATE:** Woodhouse organises EVERYTHING! Catering, full activity program and facilitation

Designed around the Australian Curriculum, a facilitated Woodhouse Camp complements your school program, offering you the opportunity to hand pick the activities (there's more than 20 to choose from!) or select one of our curated outcome-based packages with a focus on team building, adrenaline, nature or survival.

Every student deserves to have a fun and enriching camp experience and we welcome the opportunity to discuss our range of packages and tailor an affordable offering for your school community. **Call 08 8339 3333 during business hours or email [info@woodhouse.org.au](mailto:info@woodhouse.org.au)**

The kitchen is a nut-free zone and we are able to cater for most allergy and dietary requirements. A tip for the teachers: Ash makes the best stove-top espresso and is rather liberal with the chocy bickies. Never fear – pod coffee is available if Ash is not around!
